"METEOR" DEDICATEE

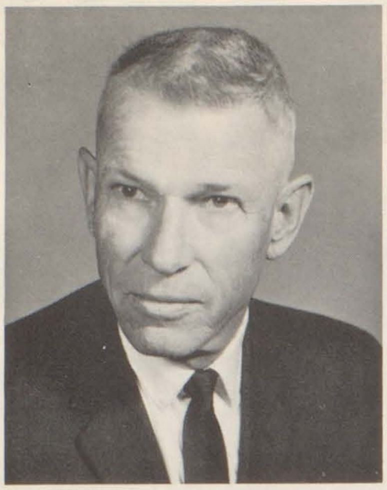

MRS. ANNA SUE HYSONG

Delightful, ingenuous, intelligent, blond, and pretty describes the 1968 Meteor dedicatee. With her initiation on the Winslow High School faculty, she has brought to the physical education department new and original aspects of health and physical education. In the two years that she has taught she has brought the spirit of W.H.S. to new heights. She has started the gymnastics team, the Meteorettes, and has developed new ideas and routines for helping the cheerleaders promote school spirit.

To you, Mrs. Hysong, we are grateful for the gifts of knowledge and inspiration you have bestowed on us. Your service to Winslow High School shall never be forgotten.

ANNUAL DEPARTMENT

Editor: R. Smith, Asst. Editor: R. Wong, Sports Editor: D. Oplinger, Business Mgr: D. Miller, Sponsor: Mr. D. E. Conatser.

Gloria Johnson and Marie Van Petten piece together parts of the annual.

Every member of the annual staff strives to reach a goal--to create and assemble the best and most attractive yearbook that has ever been made. Each member has a specific duty that must be performed with speed and accuracy. Each person's effort is a small part of the whole effort. The editor has the job of overseeing the other's work with the assistance of the assistant editor. The sports editor compiles all aspects of the sports field. The business manager is the director of advertisement sales and of the sale of the yearbooks. The other members carry out their assigned duties to the best of their abilities.

BULLDOG BARKS

Editor: J. Harris, Asst. Editor: D. Freeman, Sports Editor: T. Robb, Ad. Mgr.: B. Jue, Sponsor: Mr. N. M. Walter, Sr.

The Bulldog Barks, official publication of the student body of Winslow High School, is published every month by members of the Journalism Class of Winslow High School. The Bulldog Barks is for the information of students and other persons who are invited to contribute articles they think would be of interest to the students. The tasks of the Journalism Class are sometimes tense, sometimes exciting, but more often it is long hours of hard work. Deadlines have to be met and many extra hours have to be put into the final works of the paper. The staff has worked hard to put out the kind of paper that they feel the student will enjoy reading.

David Black, Suzie Herron, and Judie Harris work diligently on completing an issue of the school paper.

1st row: B. Jue, H. Paterson, S. Herron, J. Cribbs, J. Harris, C. Orvin. 2nd row: J. Williams, R. Patton, R. Howell, D. Black, M. Ivey, D. Freeman, T. Robb, K. Graff, A. Sorenson.

QUILL AND SCROLL

Pres. J. Harris, V. Pres. R. Wong, Sec. Treas. R. Smith.

Quill & Scroll members Marie Van Petten, Jeanetta Vaughn, Vicky Peterson & Ricky Smith enjoy a good comment from Mr. Conatser.

Quill and Scroll International is an honorary society for high school journalists. The purpose of the organization is to encourage and reward individual student achievement in journalism and student publications.

Membership requirements are set up by the national organization. High standards are rigidly maintained, making membership a coveted honor for the individual student.

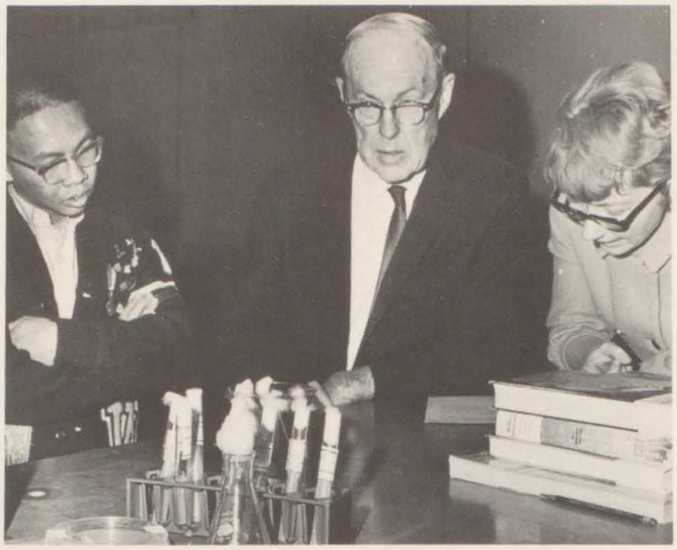

Membership in Winslow's local chapter consists of students chosen from the Bulldog Barks staff and the Meteor staff. The society helps stimulate interest in literary works among students of Winslow High School.

SCIENCE CLUB

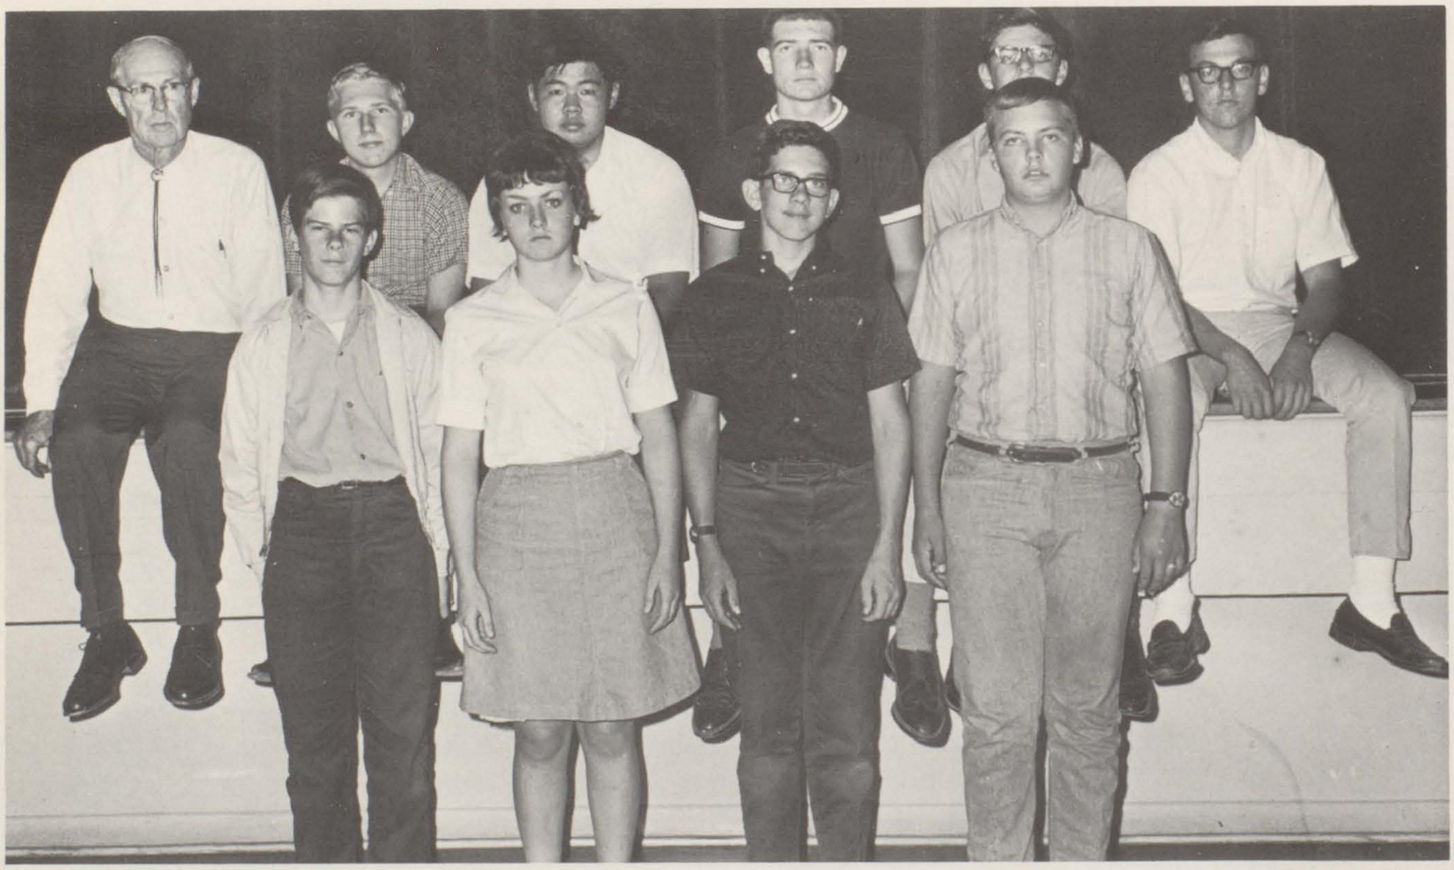

Pres. C. King, V. Pres. E. Greer, Sec.-Treas. R. Weinbeck, Rep. R. Soo Hoo.

In 1945 the Winslow High School Science Club was organized for the purpose of promoting the interest in high school students.

Meetings usually consist of programs, presented by the students, ranging from the discussion of probability in mathematics to neutrinos; however, this year, the Science Club was given a grant to finance a study in any field of science the club chooses. The club chose to do research in the field of bio-luminescent bacteria. At the end of the school year the Science Club plans to submit the results of its research to the Arizona Academy of Science.

Dr. Schmidt, assistant professor of Micro Biology at A.S.U., is explaining to Mr. Taylor and Ray Wong, the techniques of culturing bioluminousine bacteria at a Science Club meeting.

Pres. J. Brown, V. Pres. K. Light, Sec. P. West, Prog. Chairman S. Fales, and M. Prodruchny.

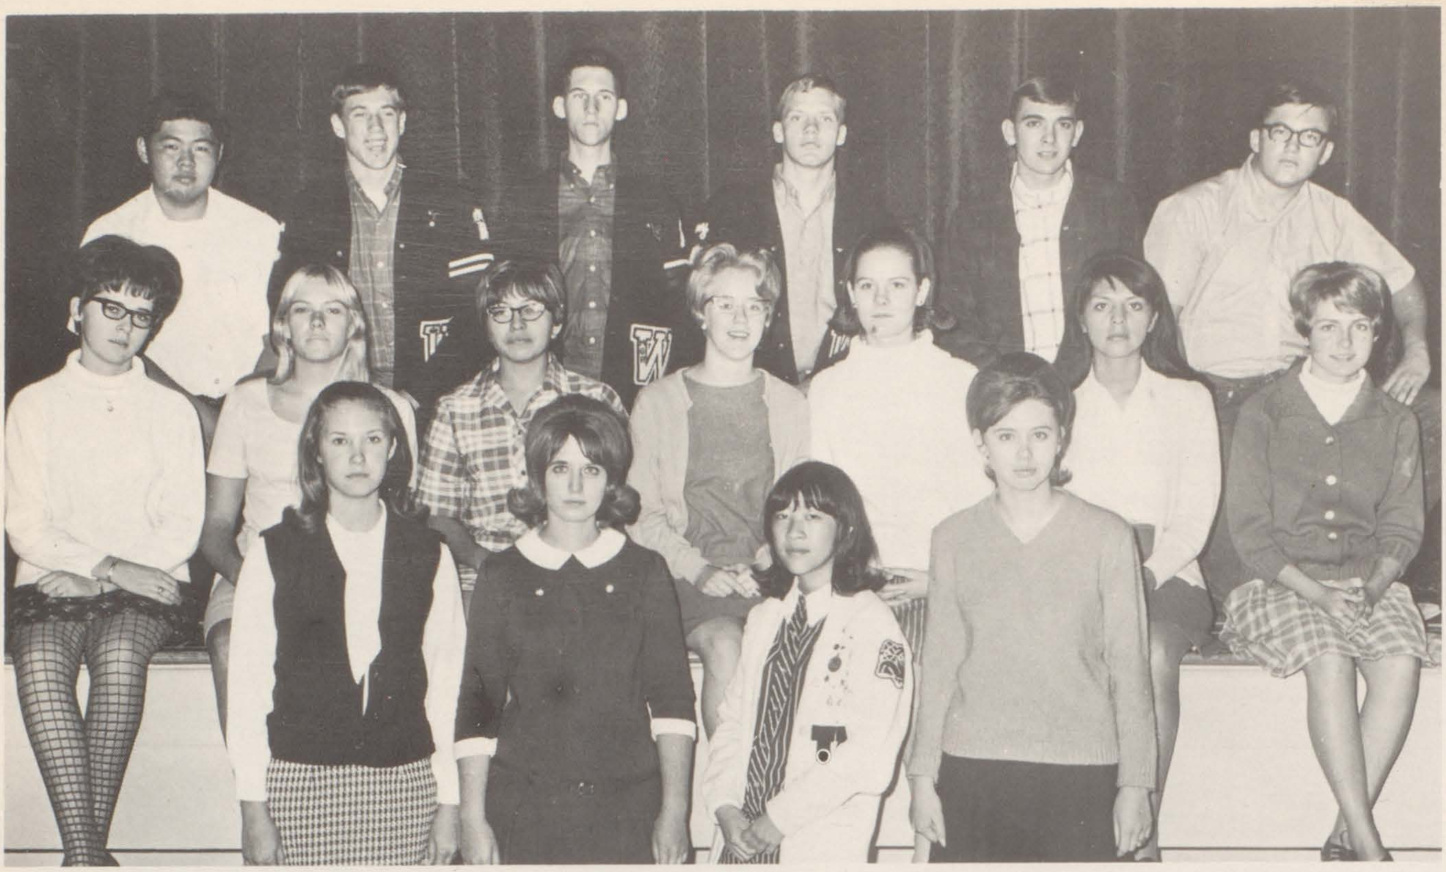

Donna Foy gets combs from Janet Brown to sell for Bible Club.

The purpose of the Winslow High School Bible Club is to promote a Christian atmosphere on the campus of WHS. The purpose is also to provide wholesome, Christian fellowship for its members to aid in developing their Christian character and leadership.

The motto of the Bible Club is "Youth For Christ". It is our aim to reach the unreached through the Christian student.

The Bible Club is a non-denominational organization. The meetings are frequently visited by guest speakers who are ministers of the different denominations in our city. We invite every student to participate in the discussion and fellowship of each meeting.

SPEECH AND DRAMA CLUB

Speech and Drama Club offers opportunities for students in extemporaneous speaking, impromptu speaking, debate, drama, and oral interpretation. Students choose the area they prefer to participate in and meet to study and practice the techniques.

Speech and Drama Club, under the leadership of Mr. Howe participates in several tournaments during the year such as District Speech and Arts Tournament. Navajoland Speech Tourney, and the State Tournament.

One of the most important assets a student can have is the ability to express himself. Speech and Drama Club offers to the students an opportunity to acquire this ability.

Jennifer Boyle received an excellent rating in oral interpretation of prose from Mrs. Blackwell at the District Speech Festival.

"S" CLUB

Pres. B. Jue, V. Pres. J. Brown, Recording Sec. M. Van Petten, Cor. Sec. L. DiNino, Treas. J. Boyle, Rep. T. Letts.

President Betty Jue presents gifts to March of Dimes King and Queen, Ken Peterson and Joan Wheeler, at the March of Dimes Dance.

The purpose of "S" Club is to be of service to the school and community, to cooperate with the school authorities in building a school with high standards and ideals, and to prepare members to assume leadership in the business and the professional world. The advisor, Mrs. Stewart, gives helpful ideas by which the club can make money. Each year a few members go to a convention located in the western states. This year it was in San Diego, California. At the convention the girls have the chance to meet girls from all over the west.

A storeroom display for the Distributive Education Class.

Distributive Education Clubs of America is composed only of juniors and seniors of Winslow High School. Its purpose is to develop future leaders of marketing and distribution.

DECA is the only national youth organization operating in the nation's schools to attract young people to careers in marketing and distribution. The members have made numerous studies and surveys to aid the economic development of their community. Creative marketing projects continue to encourage this type of contribution.

DECA students comprise a local school chapter. Each chapter elects its own student officers and the DECA teacher-coordinator serves as chapter advisor.

Pres. B. Jue, V. Pres. L. Begay, and L. Atsye, Sec. D. Peaches, Treas. J. Harris, Rep. J. Vaughn.

The Nurses of Tomorrow have one main purpose--to create an interest in personal and community health. The members encourage the other students to seek out and find the true meaning of nursing, what is required to become a nurse, and nursing opportunities. N.O.T. has sponsored educational films on subjects such as Cancer, Venereal Diseases, and Sex Education.

The members of N.O.T. went on a field trip to Phoenix to find out how the large hospitals are run. They visited several large hospitals and neurological centers.

Pres: T. Letts, V. Pres: J. Harris, Sec: C. Orvin, Treas: D. Moody, Rep: J. Boyle, His: J. Laycock.

Andrea Sorenson is stumped by the fact that they know more than she.

The purpose of F.T.A. is to promote interest in the field of teaching. Students can get experience through teaching various grades ranging from third grade to eighth grade. Mr. Martin, the advisor, arranges classes in which the members may teach. Members of F.T.A. teach subjects from English to P.E. The students learn a little about the way young children act in school, they also learn to handle all types of incidents. Through the year each member should teach two or three classes and observe a class in work at least once a month.

Pres: T. Karcher, V. Pres: A. Monroe, Sec.: G. Wright, Treas.: L. McCarter.

The main purposes of the Future Homemakers of America are:
(1) to promote a growing appreciation of the joys and satisfactions of homemaking,
(2) to encourage democracy in home and community living,
(3) to work for good home and family life for all,
(4) to promote international good will,
(5) to foster the development of creative leadership in home community living,

G.A.A.

Pres. C. Orvin, Vice Pres. E. Nasser, Sec. Treas. and Recorder J. Ewan, Repres. A. Sorensen.

The purpose of Girl's Athletic Association is to provide the opportunity for girls to participate in sports activities, to improve sports skills, to stimulate interest in girl's athletics, to promote interest in outdoor life, to improve health, to develop sportsmanship, and to provide a means through which girls earn a letter in sport activities. This is done by meeting once a week after school and participating in various sports such as baseball, volleyball, basketball, and working on the trampoline. They also go on bike hikes and go swimming when weather permits. To letter in G.A.A. you must earn 500 points by doing outside activities that you are interested in.

W.H.S. MARCHING AND CONCERT BAND

The Winslow High School Band each year participates in many activities. This year the Winslow High School Marching Band performed at all home football games, played for many of the pep assemblies, and performed in the annual Christmas parade. The band also participated at the NAU Band Day at Flagstaff, which is an annual event.

During concert season, the Winslow High School Symphonic Band performed two concerts, the Midwinter Concert and the Spring Concert. This year, for the first time ever, the Band toured central Arizona, presenting concerts at four schools, Cortez, Coolidge, Aqua Fria, and Peoria. This year the Band played for the Chamber of Commerce Spring Festival, Commencement and the PTA's Founders Day Program. The Band also entered the Northern Arizona Music Festival Contest.

The District and State solo and Ensemble Festivals provide an excellent opportunity for a person or an ensemble to display their talents. This year the Band took two ensembles and two soloists to the State Festival and came back with three excellents and one superior. The Navapache Band, which is made up of members from the St. Johns, Snowflake, Holbrook, and Winslow bands, performed its annual concert in Winslow and was conducted by Don Wolf. Eighteen people from Winslow made this band. On a larger scale, with much tougher competition, is the ABC all state band. Membership is made audition and is accepted, you go to one of the state's universities for two days of rehearsal and the performance. This year the performance was made at Grady Gammage Auditorium in Tempe.

To raise money for the awards given out at the end of the year, and for the trip to the Grand Canyon Area, the Choir put on a buffet banquet and concert, an event which turned out to be most successful. At the mixed Spring Festival for Northern Arizona they received an excellent.

A select group consisting of four Sopranos, three Altos, three Tenors, and three Basses were chosen at the beginning of the year to make up the Madrigal. They performed at all the events of the Concert Choir. A superior rating was given them at the District Festival and an excellent was given them at the State Festival. All in all the choral part of the music department had a very successful year.

"Well sir, here we are again"

The play opens as Alice falls in love with Tony. Alice is from a mixed up and poor family who are primarily interested in enjoying life. Tony is the vice-president of the company where Alice works. His family is very sophisticated, and the bringing together of the two families provides a hilarious background for the play. Alice plans a big dinner to bring the families together, Tony, unfortunately, gets the days mixed up the brings his parents a day early. The household is in a complete upset and totally unprepared for visitors. The complications that followed had everyone laughing. Just when all seemed lost, however, Grandpaw saved the day with a little common logic. Grandpaw convinced everyone to enjoy life now because, "You Can't Take It With You!"

JUNIOR PLAY

The two girls' room seems to be a stopping place for everyone and everything!

Bedbugs, measles, safety pockets, a crazy French acting teacher, boys, and a stowaway describes the Junior Play. "Our Hearts were Young and Gay" was presented March 29. Imagine two nineteen year old girls on their own for the first time, sailing to Paris! When Cornelia is not acting out a little scene for herself, she is direct and down to earth. Emily repeats absurdities as if they were perfectly logical to her. The catastrophes that take place while sailing to Paris and when they get there are hilarious because of the serious way in which they are met by the girls. From the beginning to the end, the play is filled with the misadventures of the two girls.

"Bonjour ma'm'selle! I am the man who wakes up the late sleepers. Also, I clean windows!

"He clasped me to his breast and then he kissed me. I was engulfed!

The Winslow Bulldogs bombed back from a rebuilding 1966 season to an outstanding and very successful '67 season with 7 wins and 2 losses, placing 2nd place in Div. 1 Conference with a 4-1 conference record.

The Bulldogs dropped their opening game to Peoria, due to lack of experience. The team caught fire and won the next 6 games, taking Kingman, last year's conference champs, 27-6. Continuing their winning streak, the Bulldogs rolled over Holbrook, 45-12, and whitewashed Mingus on their own field, 47-0. Then, avenging last year's defeat by the Class A South Champs, Globe, the Bulldogs won with a resounding 41-7 victory.

In their first game with their new conference opponents, Coconino, the Bulldogs piled up 5 TDs in the 2nd and 3rd quarters. The Bulldogs won their biggest game of the year by avenging last year's defeat by Cortez, Colo. Last year, Winslow suffered the worst defeat in its history, but this year, the Bulldogs tallied up a 20-6 halftime score, and left Cortez to make the remaining score in the last 2 min. of the game.

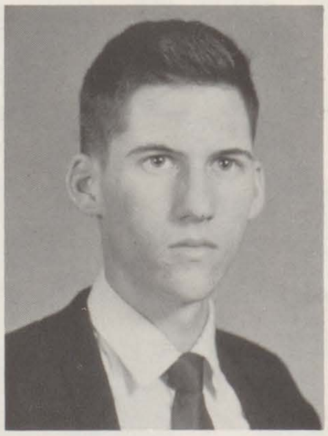

In the Bulldogs most important conference game, the team couldn't seem to get on the track. Plagued by mistakes, fumbles, and penalties, the Bulldogs trailed 6-0 late in the game while Snowflake put in 2 more TDs to insure the Bulldog defeat.

Coach Stotts

The 1967 Freshman team, with one of the best records in recent years, finished with a 5-1-1 record. Beginning with a Prescott-Winslow tie, the team upheld its honor with five straight wins, but then dropped its final game to West Flagstaff. During the season, the offense averaged 26 pts. per game, while the defense kept the opposition to a meager 13 pts. per game.

The offensive units' yardage totals plus the equally adept defensive units will place the two encounters with Snowflake in the annals of Freshman football. To this promising team, the loss in the final game was a "bitter pill to swallow".

Coaches Stotts and Conners look back on the 1967 Freshman team with fond memories and great hopes for a very fine future.

Establishing one of the better season records at WHS in recent years, the 1967-68 edition of the "Fighting Bulldogs" was noted for its hustle, desire, and fighting spirit. The team consistently thrilled fans with a brand of fast, action-packed basketball which was always exciting, win or lose. At home the Bulldogs won 5 games and lost only 2.

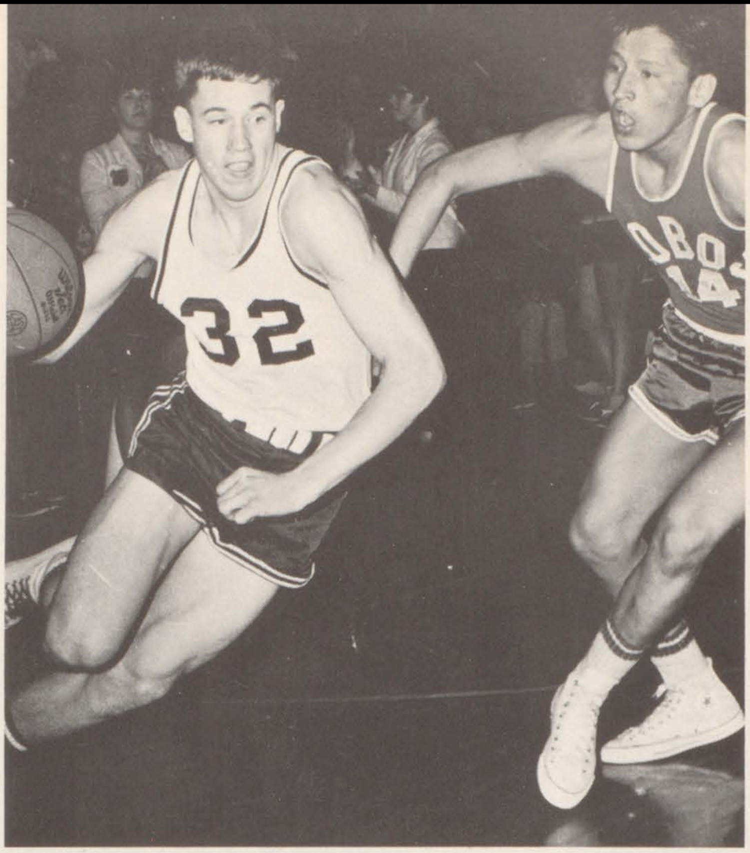

The team attained several notable achievements. The Bulldogs defeated every team in the league at least once, except Holbrook, and wound up in a tie for third place with Snowflake, each team with a 5-5 conference record. The Bulldogs finished the regular season with a four-game winning streak to wind up with a 7-7 regular season work. The team outscored its opponents 932 to 917, and outrebounded them 682 to 598. Winslow won the rebound battle in 10 of 15 games and tied in one. From the free throw line, the Bulldogs made 215 shots in 360 attempts for 60%, a fine mark. The team played the entire season without a technical foul called against it, a mark of good sportsmanship.

The J.V. team started their season slowly, losing their first seven games, the scores of which were, however, very close. Their first win came with a fourteen point win over Mingus. Dropping the next two games to Window Rock and Holbrook, the J.V.s picked up with a 69-47 victory over Kingman. Losing the next game to Snowflake, the Bullpups scored a second victory over Mingus. To end the season, the team lost a hard-fought game to their new rival, Coconino, with an end score of 61-62. This resulted in a 3-11-0 season record for the 1967-68 J.V. team.

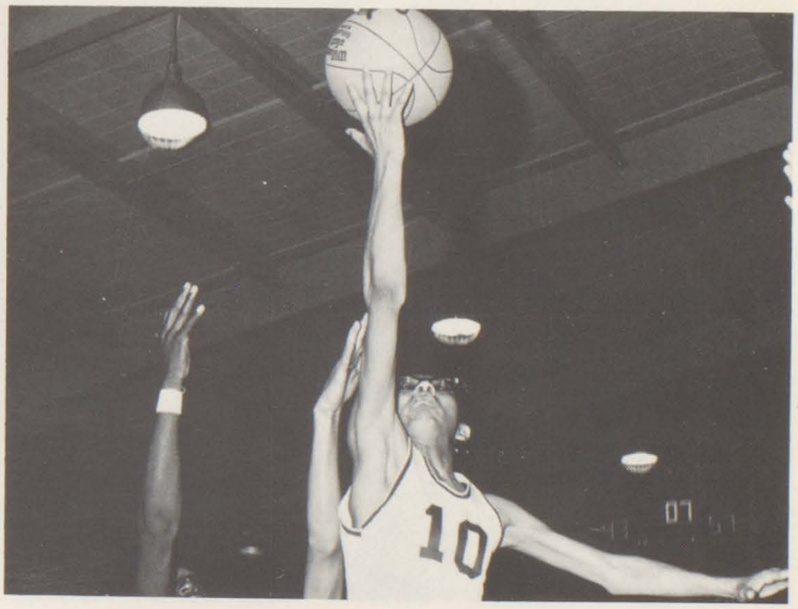

Although the record is not impressive, the coach and players look forward to better games next year.

The freshmen team began their 1967-68 season winning by taking St. Johns 35-28. Losing two games to West Flag and a close game to Window Rock, the team returned with a resounding victory over their arch-rival, Holbrook. Continuing, the freshmen team scored a victory over Kingman, but lost the next game to Snowflake by 1 point. Getting back into the winning column, the Bullpups racked up a final 10 point lead against Window Rock. The team ended their winning season with a 70-48 score over Kingman. Still fighting, the Bullpups lost their second game to Snowflake by 1 point and trailed Mingus by only 4 points. Coach Reynolds comments that he is pleased by the playing ability and fighting spirit that the team exhibited.

Winslow started slow by suffering their only loss of the season in their first match. The team gradually gained momentum, winning seven dual meets, three tournaments, and the State Championship.

In the Mingus Tournament, Winslow topped second place St. Johns, 151 to 67, taking nine firsts, two seconds, and one third. Winslow won its Invitational with 125 points, against second-best Holbrook's 80. The Varsity Twelve came up with six firsts, three seconds, one third, and one fourth. Out of the nine teams at the Regional meet in Snowflake, Winslow again triumphed with six firsts, three seconds, and three thirds.

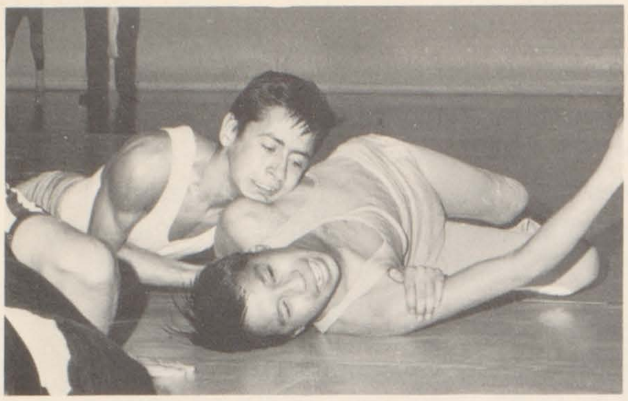

At the State A-B-C Championship at Benson, Arizona, seven of Winslow's men placed. They took medals for three firsts, three seconds, and one fourth.

Coach McArthur states emphatically, "They're fine boys. I'm proud to be their coach."

The Junior Varsity had an excellent season this year by winning seven straight in dual meet competition. The only real threat to this winning streak was by Holbrook in the first meet of the season. This meet ended in a 28-26 victory for Winslow. Another close victory was the 19-11 win over the tough Tuba City Varsity team.

This year's team deserves much credit for their determination to represent their school in a proper way both on and off the mat. Their competitive spirit was always notable.

The seven wins this year extended the J.V. winning streak to 27 victories in dual meets. Last year's team was also undefeated and this year's team continued Winslow's reputation in grand style.

The following records of boys who wrestled J.V. this year attest to the strength of the squad: E. Store 5-0, D. Price 3-1, D. Daly 0-1, J. Begay 3-2-1, A. Dammon 0-1, D. Hernandez, 0-1, F. Coach Stan Howe and Mgr. Clarence Williams review the team's scorebook.

The '68' version of the Frosh Wrestling squad continued in a tradition now firmly established by their coach, Stan Howe, Since Coach Howe took over the team three years ago, the Frosh have not lost a single meet. This year, the team began their winning streak with a victory over Holbrook, followed by a great match with West Flag. Wins included Snowflake and Mingus. Continuing in this manner, the team scored their second win over Holbrook, and followed with the defeat of East Flag. The team ended the season with a close and spectacular victory over the Snowflake JV's.

This year's winning team was led by Ron Smith, who was elected team captain and is to date undefeated. Other big winners were Harry Begay, Goeffrey Brahmer, Tim Thomas, Bob Jaramillo, Carl Clark, and Phillip Lopez.

Joe Benham lets go of a fast ball.

The 1968 version of the Bulldog Baseball team ended their season with a 10-6 win-loss record.

The team started their season slowly with two successive losses to Holbrook and Coconino. The next week the team won the first and lost the second in a double header with Mingus. Reversing this score, the team lost the first and won the second in their double header with Holbrook.

The team won both games with Window Rock, then lost their next meeting with Holbrook, Round Valley, Snowflake, and Kingman constituted their next three wins and one defeat. The team finished their season with three successive victories.

The team tied for first in Div. I with Holbrook. But due to their 1-3 record with Holbrook, Holbrook received the title and a chance to play for the Conference title.

Gymnastics

Two years ago in Winslow High School, gymnastics was almost a foreign word. Then Mrs. Susie Hysong came to teach girls' Health & P.E. With her, she brought a whole new world of sports. In the two short years she's been here, Winslow has become second in State Class A Gymnastics.

This year, for the first time in Winslow High, the girls lettered in this new sport. The gymnastics the girls competed in were balance beams, free exercise, uneven parallel bars, vaulting, tumbling, and trampoline.

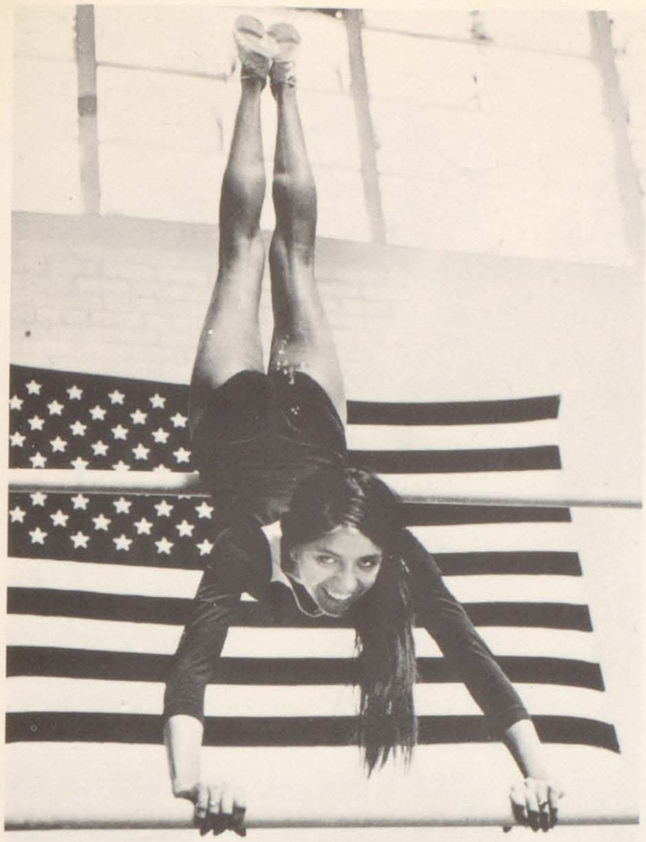

At the Class A Girls State Gymnastics Meet that was held here, Winslow placed second with ten medals. The medalists were Pam Allen, second in All Around with 28.5 pts., third in vaulting and fourth in uneven parallel bars, Amber Brimhall with two firsts in uneven parallel bars and tumbling, two thirds in free exercise and tumbling, two thirds in free exercise and trampoline and fourth in vaulting, Chris Nottingham with a first in vaulting, and Linda DiNino with a fourth in free exercise.

Looking behind us, the annual staff can view, with pleasure, a year of uncanny efforts and aggressive desires. Valuable time has been spent in every aspect of yearbook technique and planning to provide something by which you could reminisce on the past year. Glancing through these pages, we are able to call to mind long-forgotten experiences or facts that will remain with us as a personal part of our lives. It has been our job to give you, in the most effective way possible, an account of the current activities in this school.

Each and every person has contributed in some way to this production. Of course, as always, the main trend of the credit lies somewhere. What better place is there to lay the recognition than Mr. David Conatser, our annual advisor. His rare time was donated to helping us develop an attention-getting yearbook. Without him, we could not find the necessary paths to take. It has been an honor and a privilege to have his guidance. In our own way the staff says, "Thank-you."

The staff is composed of many different people with different jobs and titles. To assure us that the class flows smoothly and efficiently, each job must be performed accurately. Ray Wong, the assistant editor, saw to it that all loop-holes were filled. He has done his duty with an eye for perfection. The business manager, Diana Miller, has kept our financial status in order. Dan Oplinger, as sports editor, has designed a unique section in sports. Last of all, I can not forget our photographers, Ray Wong, Randy Soo Hoo, and Kenneth Custer. They have provided the class with suitable pictures to complete their work.

The annual staff has worked together, but without you, the subjects, we would have no cause. I take this opportunity, in speaking for the staff, to thank the student body and faculty for playing the role in school that they have, and for giving us the chance to capture them as themselves. We hope that you enjoy the 1968 "Meteor" and that it will be of lasting value to you.
